

Mesh

by Krystian Kowalski

Designed to create friendly office spaces, it can be easily customised to fit a specific space or need.

The Mesh line offers a sofa, an armchair and two tables that bring comforts of home to the workplace. Thanks to its design, it may serve as a place to relax as well as a piece of decoration, and finally as a functional item. The shield available in three sizes becomes the most striking feature of this range – use it to create a

comfortable oasis or a less informal meeting area. Being more than beautifully crafted seating solution, Mesh combines a tailored, craft-based approach with the precision of high-volume technology.
